## List of services

### Architectural Visualisation

Working closely with architects to create computer generated images and animations to communicate the architects design or scheme for the purpose pre-application documents, planning applications and for marketing purposes.

### Interior Design

Working closely with designers to create visually stunning imagery and animation to showcase creative interior design. Cloud 9's service allows the designer to visualise their scheme in order to choose colours, identify flaws, make improvements, and to visually communicate the interior to their clients.

### Photomontage

Photomontage renderings are most useful for exterior architectural scenes. They are a combination of actual site photography and 3D Architectural Renderings, creating a superior hybrid.

### CG Animation

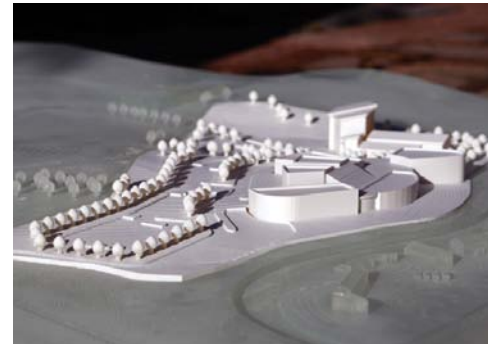

Cloud 9 creates fully featured, engaging and client-specific CGI animations to sell property, developments and lifestyle, taking viewers on a journey of discovery around a new development prior to construction.

### Interactive Multimedia

Cloud 9 can produce interactive CD ROMS or DVDs. An ideal solution when presenting projects, allowing the audience to navigate and explore the project at their leisure and communicates a company's product or a developers scheme more efficiently.

### 3D Floor Plans

Cloud9 3D floor plans are more visually aesthetic than a plain black and white 2D plan, and are fully populated with furniture in order to visually indicate the type, or purpose, of each room in the layout.

Cloud 9 Visualisation was founded in 2009 - Built of a network of artists, film makers and multimedia professionals - we specialise in creating exceptional 3D visualisations for the architectural industry.

Cloud 9 offers modelling, rendering and animation services distinguished from other 3D visualisation companies. We aim to visually communicate our client's vision and build a product that truly captures the imagination of the audience. By orientating our expertise towards our client's individual needs, Cloud 9's bespoke working practice provides unsurpassed attention to every project from the beginning stages to the final product.

With a portfolio of services supported by a wide range of creative and quantitative skills Cloud 9 can respond to project briefs to deliver stunning visual solutions. With professionalism and commitment you can trust Cloud 9 to deliver.

We would be delighted to meet you in person to discuss our services in detail. For more examples of our work, visit our website at
